

$$M = 5$$

$$x_1 = 5$$

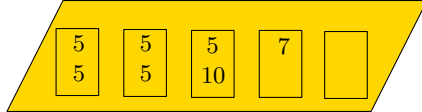

$$x_2 = 5$$

pin these in mem

use this block to  
read every block  
of  $R_2$  containing  
value 5 (five  
blocks in total)

$$M = 5$$

$$x_1 = 5$$

$$x_2 = 5$$

after reading the  
five blocks
